

Burbank Unified Employee Compensation

Fiscal Year 2025–26 · July 1, 2025 through June 30, 2026

EMPLOYEE RECORDS	TOTAL PAY	TOTAL BENEFITS	TOTAL EMPLOYER COMPENSATION
2,573	\$132,285,349.50	\$53,611,046.06	\$185,896,395.56

Does “Total Benefits” include retirement? The workbook defines this column as employer-paid benefit costs. Under California school-accounting rules, the employee-benefit category includes employer CalSTRS and CalPERS retirement contributions along with health and welfare coverage, Social Security/Medicare or alternative retirement, unemployment insurance, workers’ compensation, OPEB and certain other benefits. The workbook does not separate those components, so it cannot show a pension-only amount.

Source: Los Angeles County Office of Education (LACOE) payroll reporting. Total Pay is described in the workbook as gross wages paid during the period. Figures below reproduce the supplied spreadsheet; totals are arithmetic sums of its employee rows.

Read the full employee-by-employee table on the following pages, sorted by total employer compensation from highest to lowest. The original Excel workbook is available alongside this reader.
